Fichas Semánticas
Primer Grado

Objetivo

Lograr que los alumnos alcancen el nivel óptimo de alfabetización inicial requerido en el ciclo escolar, mediante la aplicación de estrategias y materiales diversos.

instrucciones

Actividad de diagnóstico:

Se trabaja la ficha inicial que presenta la imagen completa en una composición dónde se encuentran los 7 sustantivos en un ambiente conocido por el alumno. Se inicia con la conversación dejando que los niños expresen lo que conocen acerca del tema mediante lluvia de ideas, con preguntas generadoras como:

- ¿Qué vemos?, ¿conocemos esos lugares?, ¿tenemos cerca algo así?
- Ubicar los números en la imagen: ¿Qué hay en el número 1?...Y así sucesivamente.
- Antes de presentarle cualquier palabra se realiza el dictado de diagnóstico que nos permitirá conocer el avance logrado con la aplicación de esta ficha.

Actividad 1:

Después de haber realizado la evaluación de diagnóstico empezamos con el análisis de cada palabra,

- Escribir los nombres en tarjetas grandes para ir las mostrando. Señalar una tarjeta con el nombre diferente a la palabra que se leerá con el fin de generar el análisis, en base a las siguientes preguntas:

¿Aquí dice techo? (mostrar ventana, p.ej) ¿Por qué no? ¿Cómo empieza techo?, ¿qué sonido lleva?, ¿es larga o corta? ¿Y ésta? ¿Con qué letra termina? ¿Alguien quiere señalar dónde dice “Techo”?

- Realizar este análisis con cada palabra de la ficha.

Los niños buscan las palabras en el anexo, las recortan y las pegan en el cuadro que corresponda.

Actividad 2:

*** Recordar con los alumnos las palabras analizadas el día anterior.

- Se les presenta a los niños la actividad 2: que se forma por los dibujos individuales y las palabras divididas en sílabas.
- Seleccionar a algunos niños para que pasen al pizarrón y escriban las palabras. Ayudar si es necesario.
- Copien las palabras en los recuadros debajo de cada dibujo.
- Buscar las sílabas que forman cada palabra y pintarlas del mismo color.
- Recortar y armar la palabra, pegándola a su imagen correspondiente

En las primeras fichas el trabajo tiene que ser muy guiado, mientras los alumnos se van acostumbrando a la forma del trabajo. De tarea se les entrega una hoja con las 7 palabras para que en casa las forren o enmiquen.

Actividad 3:

*** Repasar la identificación de las 7 palabras trabajadas.

- Previamente se elabora un sobre reforzado para ir guardando las palabras de cada campo semántico.
- Se escribe un enunciado con cada palabra (empezar de forma grupal, conforme se vayan usando las fichas cambiar a parejas y así hasta llegar a lo individual). Con la finalidad de que el alumno incorpore estas palabras a su vocabulario ordinario y las pueda ubicar en su contexto.
- Antes de guardar las palabras en el sobre, se leen algunas de las guardadas previamente, fortaleciendo la fluidez y la comprensión.

Actividad 4 y 5:

*****Divertimentos*****

Con la finalidad de fortalecer un ambiente de convivencia sana y enseñar la importancia del trabajo en equipo se diseñaron los divertimentos como el memorama y la sopa de letras, los cuales permiten la interacción de los niños en un clima de diversión y competencia.

- Entregar a los niños la actividad 4 para que recorten cada imagen y palabra. Aconsejar que lo tienen que hacer de la manera más limpia para que su juego salga bien.
- Jugar al memorama con sus compañeros al menos 3 rondas. Al terminar pegar en su cuaderno de trabajo, relacionando imagen – texto.

*****Sopa de Letras*****

- Se le entrega a cada alumno la actividad 5 consistente en una sopa de letras, la consigna es encontrar las 7 palabras escondidas, y escribir el nombre debajo de cada dibujo

Actividad 7:

*****Evaluación*****

Se evalúa el resultado de la aplicación de la ficha semanal mediante un dictado que contiene:

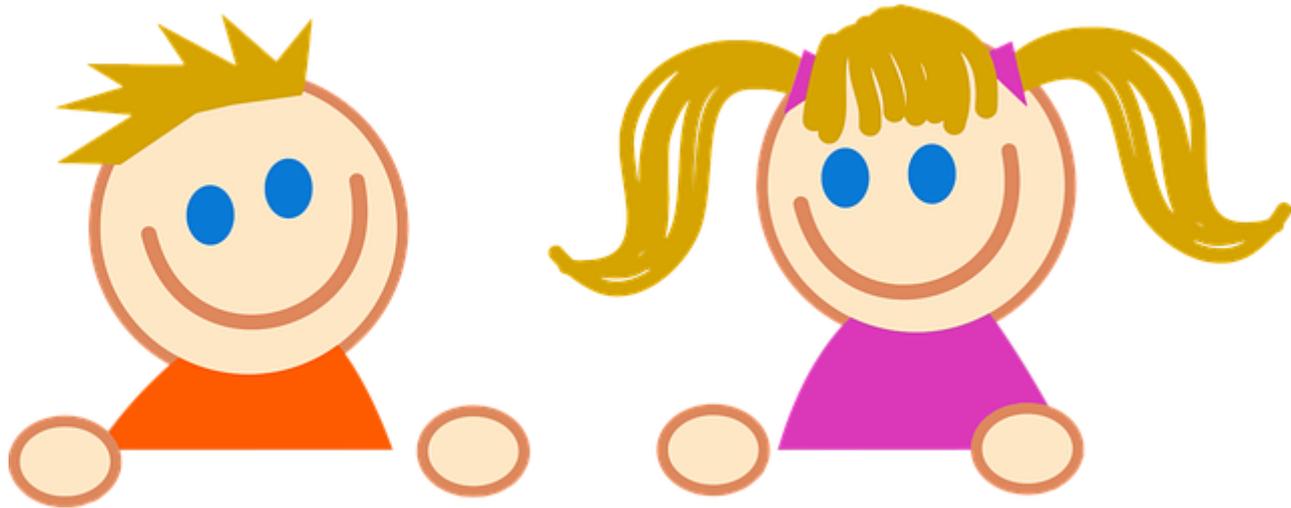

- Las 7 palabras trabajadas durante la semana
- A partir de la segunda ficha se dictarán 3 palabras “coladas”, es decir, de fichas anteriores.
- Dos enunciados de los que se escribieron el día miércoles.
- Cada evaluación de escritura tiene un espacio para favorecer la redacción mediante el texto libre en base a una pregunta detonadora, en donde el niño puede involucrar la escritura de las palabras estudiadas en la ficha.

Anexos

- Se incluyen todos los recortables necesarios para realizar las actividades anteriores
- Propiciando la retroalimentación se establecieron reforzadores positivos, en los que los alumnos se esfuerzan por su estrella
- Se incluye una hoja para que el docente realice sus observaciones sobre los avances y dificultades enfrentadas por cada alumno.
